Boy's Catholic
Malden,

High School

Massachusetts

Which Features: By Harmony,

Each year some hundred young seedlings are transplanted to the rich soil of Malden Catholic. Entrance exams have proven that these seedlings can take root here and harmoniously grow into their elegant fullness.

For all seedlings the first phase of growth is the hardest and these days are spent in taking root in order that they might thereby absorb water and their specific elements and also stand firm when the wind blows.

In like manner the freshman endeavors to entrench himself in the classes of Catholic High in order that he might shape his life by absorbing the spirit of prayer, study and play.

The second stage of growth in a plant finds the seedling no longer parasitic on the stored food of its seed. From now on it lives and grows by its own photosynthesis. It is not strong but it is on its own and is growing.

Likewise the sophomore begins to strike out on his own and develops a deeper knowledge and understanding of his environment. He now has a keener interest in the activities of the school and he becomes a doer.

Small Things Grow.

The same group as seniors in 1950.

As a result of the constant vigilance and care of the tiller the supple stem has now developed a sturdiness sufficient to bear proudly the buds of its inheritance as it withstands the encroachments of weeds, the pressure of the winds, and death-seeking droughts.

Meanwhile the sophomore undergoes a parallel transformation. He becomes the jubilant junior ready to rule the roost when the seniors depart. He now knows the spirit of Catholic High and is ready to burst into bloom. He is here to stay and can protect himself against scholastic blights.

Finally the young plant bursts into blossoms — beautiful and fragile but of little economic value. It is only after the metamorphosis of the blossom into the fruit that the world appreciates its existence.

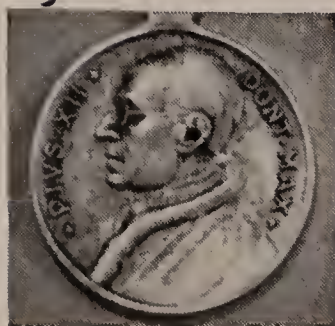

In the same instance the junior blossoms into a senior, but he still needs that final year of polishing. At the end of the year the transformation is complete. He has now developed a poise and sturdiness of character that will make him important to the world.

We honor the 262nd Master of the Vineyard, Pope Pius XII.

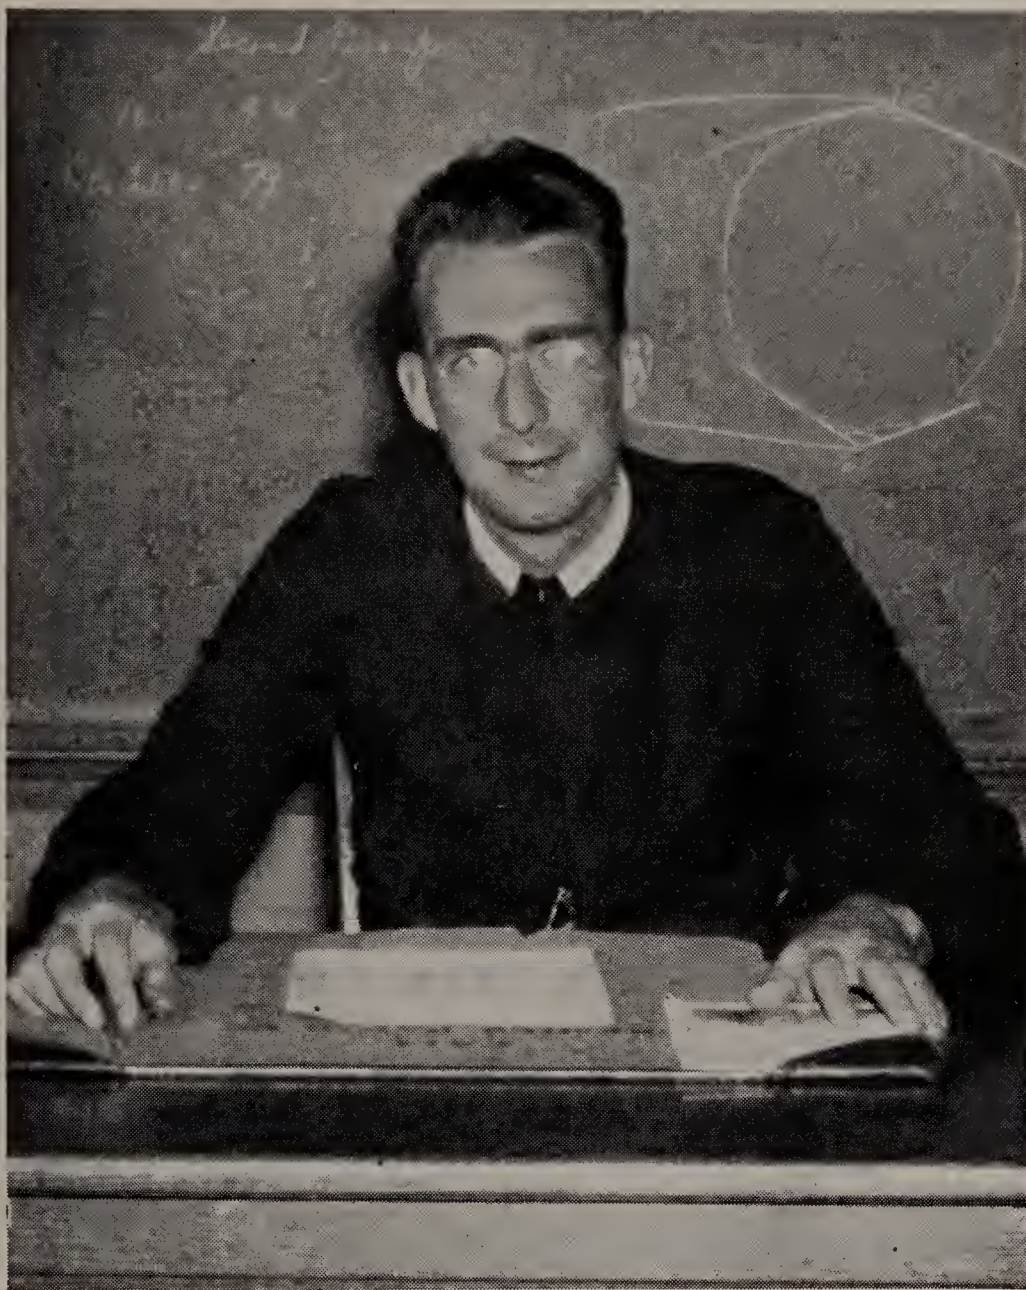

At the half-way mark in our twentieth century the Catholic Church under the pontificate of Pope Pius XII celebrates its twenty-fourth Roman Jubilee. This Jubilee year is a year of special grace to those pilgrims who are able to visit Rome and pray at the designated holy places. But for those of us who are unable to make the Roman Pilgrimage there is also grace to be gained by our leading holier lives and by our remembering the intentions of the Holy Father, viz.; prayer, penance, fidelity, conversions and peace.

The idea of a Jubilee Year and its special indulgences goes back to Christmas Eve, 1299. It was at this time, after having thoughtfully investigated the pious customs of pilgrims journeying to Rome every hundred years that Pope Boniface VIII declared the first official Holy Year. Succeeding Popes had changed the number of years between Jubilees until Pope Paul II, in 1464, decreed that the Jubilee years should occur every twenty-five years. Minor changes did occur a few times since then but twenty-five years remained standard. The significance of a jubilee every quarter century may lie in the fact that faithful may more opportunely make at least one pilgrimage during their life span. The thrice-knocking on the door of St. Peter's Basilica originated with Alexander VI in 1499 and is symbolic of eternal salvation to all who desire it. The closing of the door on Christmas Eve, 1950, for another twenty-five years symbolizes that heaven is closed to those who died in grievous sin.

We dedicate this 6th Volume to Brother Cyril, C.F.X.

Many men have been responsible for the growth of Malden Catholic, but one name stands out — Brother Cyril.

Brother Cyril came to Malden Catholic in 1942 and immediately started to shape the athletic destiny of Malden Catholic, and he became the outstanding guiding light in our expansion. Every sport at Malden Catholic felt the influence of his zealous and untiring spirit. Under his diligent care and planning Malden Catholic rose to the pinnacle of schoolboy sports.

During his seven years we continued as Catholic League Champs but we went on to higher glory by winning the State "B" championship in his last year. Yet his greatest single effort lies in his own creation, "The Catholic Hockey League". He originated and organized this up-and-coming league and also provided for the best hockey team this league has ever seen in our State and New England Titlists of 1948.

One might say that his executive prowess alone would stamp him as a Malden Catholic immortal. However, Brother Cyril also imparted countless lessons in the classroom as well as on the field. His classes were always seasoned with his genial wit and humor, and those years will always be especially close to this senior class. We Seniors of the Class of 1950 pay a small humble tribute to one of the finest men we have ever known by dedicating our sixth annual to Brother Cyril — "A man of God, a man of boys."

"The Pause That Refreshes"

Fr. Barry, Diocesan Vocation Director, was our retreat master.

The oft-spoken phrase, "There comes a pause in the day's occupation . . .", probably best initiated our annual retreat. To all the hubbub of school activity there came a halt. Each student from the floundering freshman to the suave senior made his own strategic withdrawal from the cares of life. This withdrawal led each boy into his own cell of meditation to contemplate the spiritual welfare of his mortal life.

Diocesan Vocation Director, Father Francis Barry, was our retreat master. In all sincerity each of Father Barry's conferences seemed most significant to the seniors as he aptly stressed the folly of being a "misfit in life."

The opening day of retreat was the pattern of the others that followed. All attended the dialogue Mass and had the opportunity to receive Communion. The rest of the day was spent in conferences in Columbus Hall and church spiritual reading, prayer and silence until Benediction closed the day.

Communion and Benediction were part of the daily program.

Goodwill Men

Sodality officers Martel and Sweeney are given the season's schedule by Chief Belair. Projects included food and money collections for the needy.

One of the least publicized activities at Malden Catholic is the sodality of Our Lady. This is only because the Sodality carries out its work in a quiet efficient manner, and yet its effects and benefits are mountainous. The Sodality is as vital and necessary to every pupil as a key is to a lock. And in truth a sodalist unlocks the door to spiritual blessings for himself and others.

Under the capable guidance of moderator Brother Alexius Joseph and senior assistants George Belair, Charles Martel and David Sweeney, the Sodality sponsors the spiritual activities of the school such as the reception day, dialogue Masses, and the annual Lenten collections. The grateful letters from Archbishop Cushing and missionaries in destitute places pinned on the Sodality's bulletin board are mute testimonies of this club's work.

Hep Men

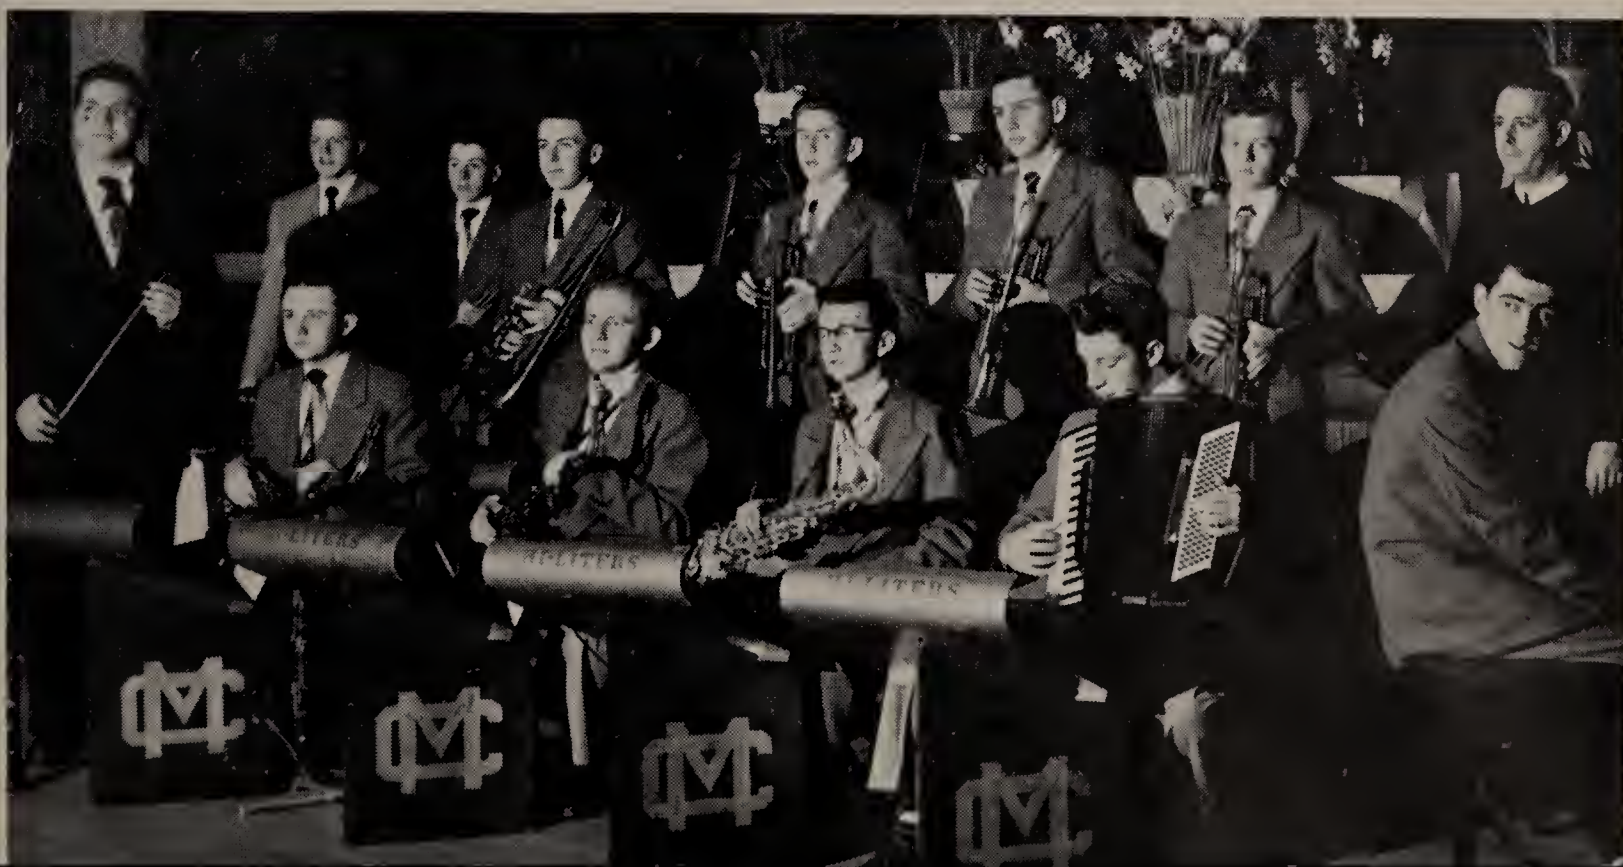

Cunningham, Sweeney, Gillooly, Driscoll, McCarron et al were always hoofing it when the Hi-Liters were playing at Columbus Hall.

"It's the Talk of the Town", is the theme of the orchestra which is called the "Hi-Liters". Though the theme was chosen without personal reasons, the unit has really become the talk of the town on its own musical talents.

From a five-piece band of several years ago, when it was first started by Brother Walston, the Hi-Liters has grown to a ten-piece ensemble with reservists under the guidance of Brother Casimir and Brother Servanus, the present moderator.

Since most of these boys participate in other activities and since the demand for them by other school groups keeps them busy, we give them a nod of thanks with an extra one for Seniors Guthrie, Dagle, Toomey, Testa and Guinee.

CIRCUIT MAKERS

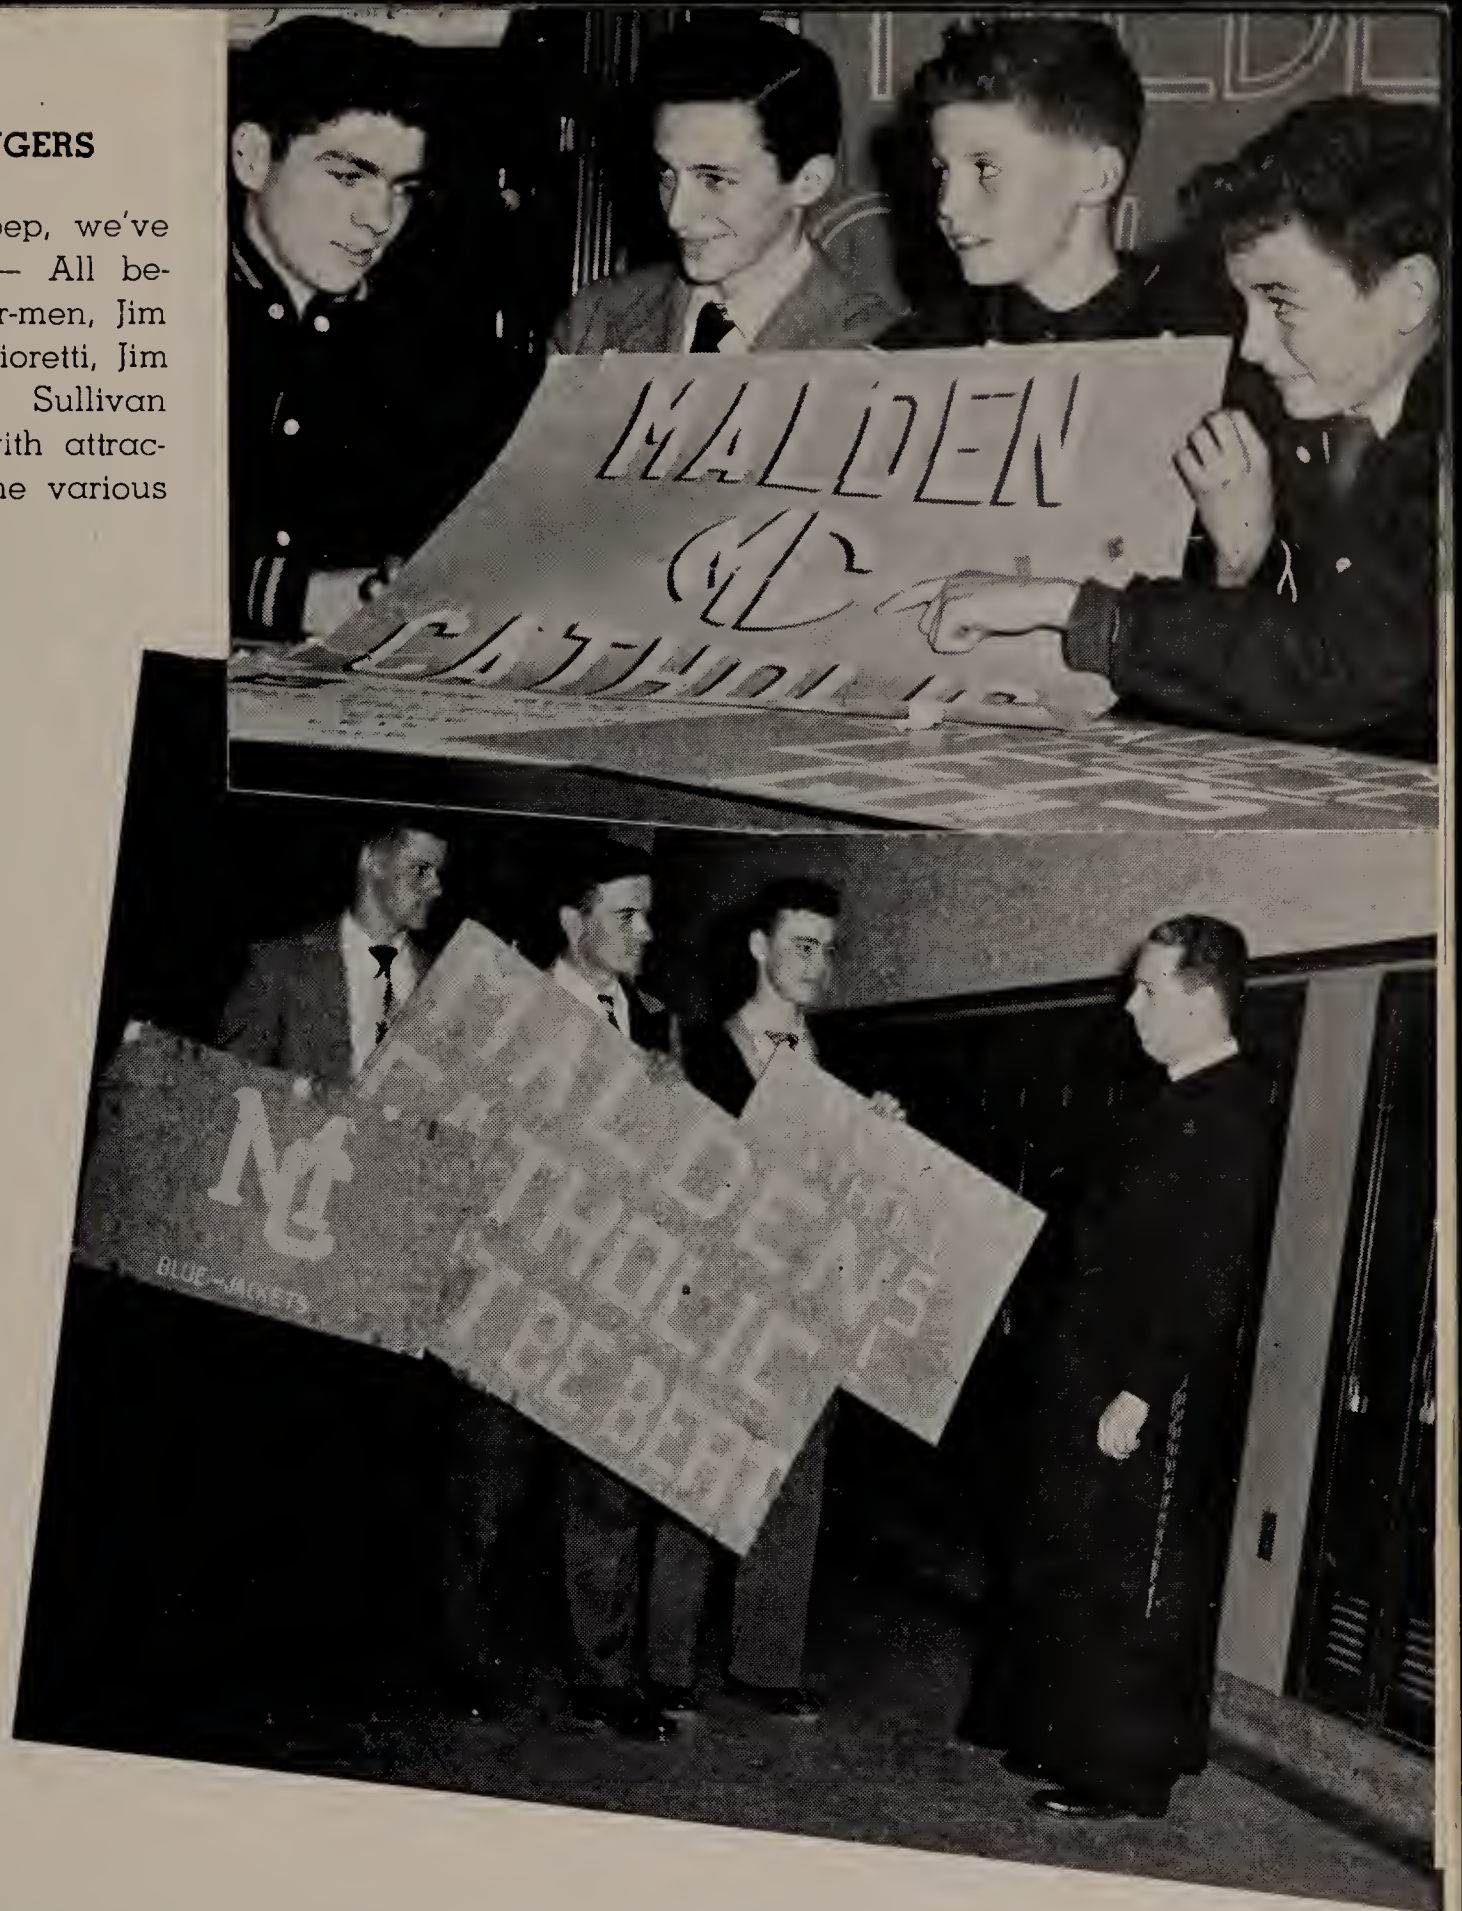

John Lane and Charlie Kirschner, school science fair winners, are giving a demonstration of their electrical and electronic wizardry to a group of general science boys. Kirschner received honorable mention in the diocesan fair and represented M. C. in the State Fair.

Larry Gerrior, Charlie Martel, Paul Testa and John Burke also participated in the M. C. Science Club Fair. They gave demonstrations in static electricity, heat, sound and wet cells.

BRUSH SWINGERS

"We've got the pep, we've got the steam" — All because these poster-men, Jim Mozzicato, Mike Fioretti, Jim Breen and Tom Sullivan could come up with attractive posters for the various rallies.

Not bad is the opinion of Moderator Brother Servanus as he views the work of Charlie Martel, Paul Cargill and Joe Breen.

Hi-Way editors on the N. Y. subway to Columbia U. plot play-time after the conference. Only cloudy weather kept Jack Kelleher, Fran O'Donnell, Co-Editor John Clark, Walter MacEachern and Joe Launie from getting the roofs of their mouths from being sun-burned as they gazed upward at the tall buildings.

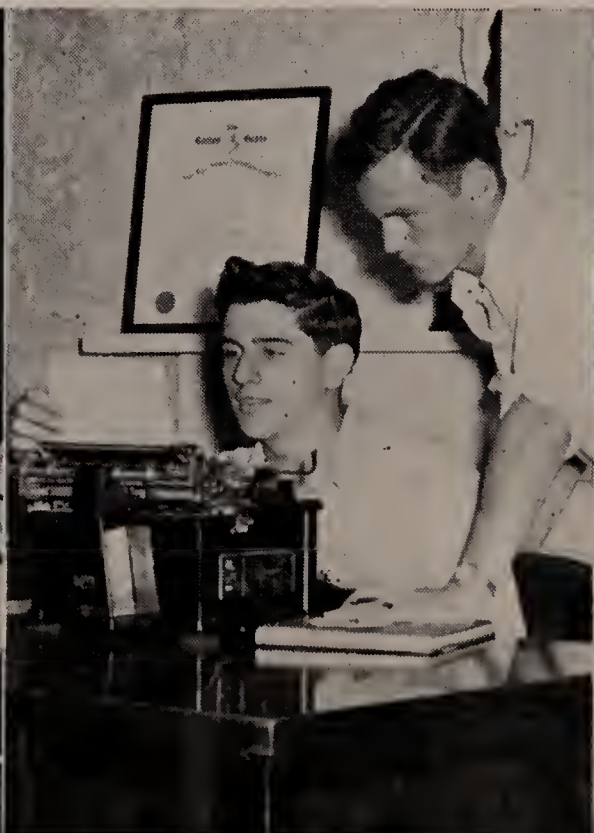

Back home at the Brothers' house in Malden John Kelleher, Co-Editor Jack Driscoll, Walter MacEachern and Fran O'Donnell put into practice the theory that they learned at the Columbia Scholastic Press Conference on Yearbooks.

Hi-Way

Pix men frosh Bill Gillooly and Faculty Advisor Brother Evangelus talk over the shots they have taken and 'the ones they will take.

Key-puncher Jim D'Amelio crosschecks with Jack Kelleher on the copy matter.

Publicity boys — Charlie Martel, Mike Fioretti and Joe Breen — drummed up sufficient customers to make the book a success.

Highway or Hi-Way men Fran Finnegan, Fran Sweeney, Jim McCarron and Business Manager O'Donnell greedily relieve Twohig and Weidner of their money at a Hi-Way Dance.

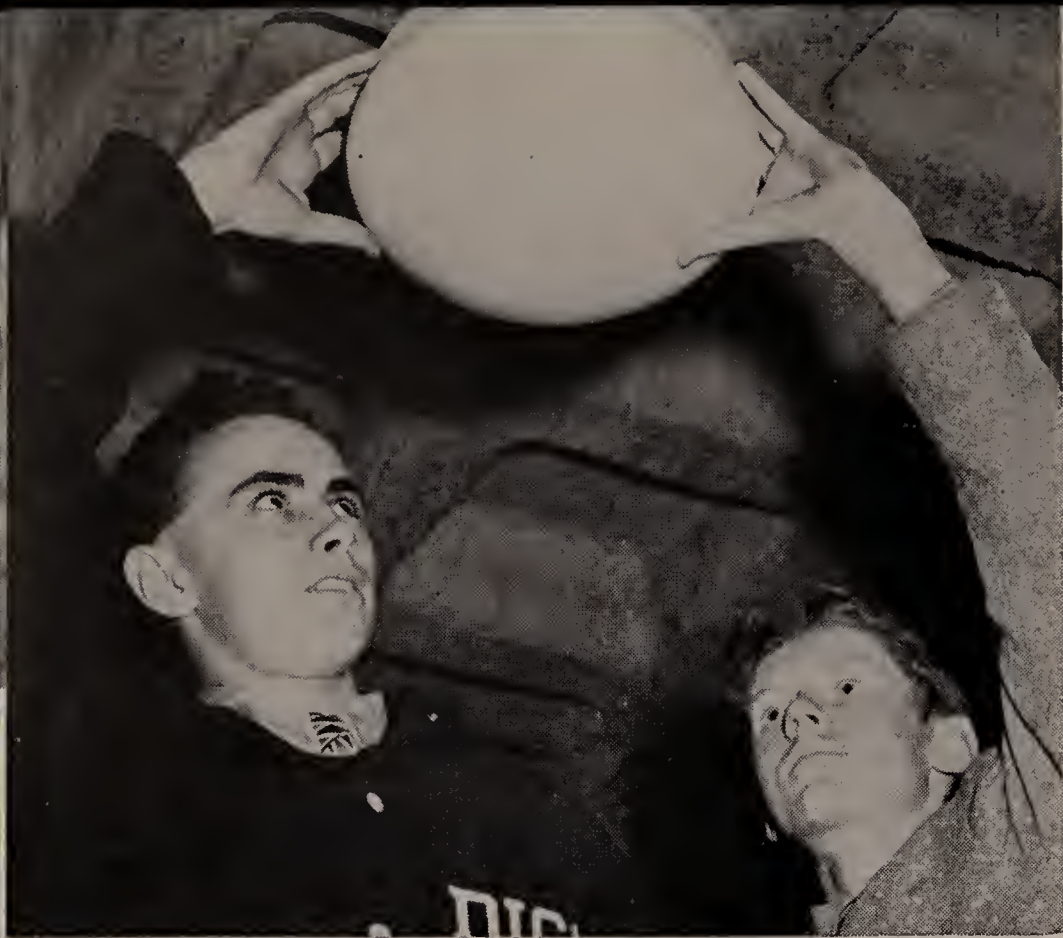

Yearbook work is really work for these boys. The parish hall is a busy place and requires much labor in setting it shipshape for a dance. Above Bob Maloney, Jim Long, Walt Dillingham, Jim Mahoney and Paul Ruane are cleaning away banquet tables.

1950

Frank Gill, Fran Finnegan, Jim D'Amelio and Dave Armstrong are more dance workers. They specialized in chairs.

"Neat as a pin" is the motto of Ivan Sawyer and Leroy Garrity after the ball is over. During the dance all these non-editorial men acted as door custodians.

Pen Pushers

Hi-Lite co-editors Dick Noonan and Charlie Kirschner check a high light.

The Hi-Lite is the school monthly by the students, for the students and about the students. This aim makes it a very successful journal. Though only six years old the paper has garnered many awards in the annual contests of the Boston Globe. Brother Michael has been the faculty advisor from the beginning.

Each year the Hi-Lite relinquishes to the Hi-Way several excellent writers well-versed in writing, working together, and achieving success.

Sitting: G. Lynch, J. Feeney, R. Buckley, J. Driscoll, J. Donovan, J. O'Neill.
 Standing: T. Powers, G. Doak, P. Sheedy, R. Bartlett, F. Hussar, J. McIntyre,
 W. Consavage, G. Rogers, R. Abbott, P. Breen, R. Scopa.

Shutter Pushers

Bill Gillooly and Jimmy Crane get a lesson in the use of a light meter from Moderator Brother Evangelus.

The Camera Club is one of the youngest in the school and it also has the fewest members. For three years Brother Evangelus has been nursing it along and it is just blossoming into a fruitful life. Previously all photographic work was done by a studio, then by a member of the faculty, and now this year freshman Bill Gillooly is helping out in a big way. Bill started late but in a short time he did all the work on baseball and most of the class informals. Next year Bill will be augmented by Amando Gallinaro and Gerry Kajunski.

Clubbers Amando Gallinaro and Gerry Kajunski watch Gillooly's black magic of a changing bag.

Something new has been added to the English courses this year in the form of public speaking and oratory. Pictured above are those blessed with the art of gabbing and who talked their way into the finals. The popular response to this innovation was beyond all expectation. If such enthusiasm continues Brother John hopes to open the final round to the public.

On the right are the champion orators of the school. They are Bill Gerety, Dan Hurley and Denny Brown. Gerety was the best in the first and second year division. Brown was the best in the third and fourth year group. Junior Dan Hurley won the consolation award.

Point Stressers

President Dick Guthrie talks over the season's topic with Dick Mulrenan, Frank Lane, Bob Kelleher, Pat Goggin, Tom Conway and Jack Driscoll.

Debating is the oldest extra-curricular activity at Malden Catholic. The team participates in the Catholic League and sends a team to the invitational debates fostered by the local colleges. M. C. has had its share of championships in its eighteen years and with the renewed interest in oratory, Brother Aubertus expects to regain lost glory with next year's team.

Honored for their excellence in varsity debating were Seniors Jack Driscoll, Pat Goggin and Dick Guthrie. These boys formed the backbone of the debating team for three years.

Lettermen

The Varsity Club under the supervision of Brother Servanus, is composed of all lettermen, and was organized to prevent any one sport from being over-emphasized by the student body. The Club's aim is that the members form the nucleus of the cheering sections and that they appear at all events. The Club also undertakes projects which will reflect credit on the school. This year they ran a "Record Poll" which was presented over Station W. H. D. H. in Boston and an all M. C. "Talent Show" which was enthusiastically received by the public.

Jim Keogh, Jack Reboulet, Ed Lee, President Jack Driscoll, Larry Gerrior, Dick Guthrie and Dan McCarthy are admiring a trophy won by the track team.

Salesmen

The Campus Store is a student project inaugurated this year for the benefit of the Hi-Way. The beginning was humble and the outcome doubtful until late in the year. The low profit can be attributed to its late start, poor location and limited stock of paper, T shirts, sweatshirts, pennants and stickers. Plans call for a September opening in 1950 with a complete stock of school supplies. The success of this store will be reflected in a lower price for the Hi-Way. Brother Evangelus is the Faculty Advisor.

Jim D'Amelio, Jack Dunlea, Manager Fran Finnegan and John Donovan, Hi-Way sports chief, officially open the Campus Store.

The Drums go Bang and the Cymbals Clang

Another student-inaugurated activity is the Vagabonds, M. C.'s informal band, under the moderatorship of Brother Evangelus. The group started out as an all-senior group in preparation for the Prep game but the underclassmen barged in without invitation and everyone united to form a happy group.

The photo on the left marks the first official appearance of the Vagabonds and the one on the right shows them lining up for the victory march to Malden Square after beating the Prep.

WEST SIDE A. A.

The spirit behind the success of Malden Catholic in athletics is the West Side A. A. This body of men underwrites the Athletic program at Malden Catholic. The West Side club started out with only a few men from the parish and after sixteen years they have a membership of more than three hundred. During these years the club has collected and invested in equipment and coaches better than \$100,000. Space doesn't permit a complete history of the West Side but it can be summed up by saying that when the chips were down they always came through in unprecedented style. This happy blend of personal sacrifice and hard work by all has worked its way into athletics at M. C. As a consequence the battle cry is "Malden Catholic never quits."

Gridmen - League Champs for 16 years

This green but aggressive ball club retained for M. C. the Catholic League title for the sixteenth consecutive year. It was not an easy task because in addition to inexperience, injuries to key players occurred at the most crucial times. But M. C. asks no quarter and gives no quarter so the team went on to win seven, tie two, and lose one. The lone defeat, by Cathedral of Springfield, happened at a time when the team was at full strength and such was the story in the opening game tie with Medford. Injuries explain the tie with Dedham. The seven victories were won by the outstanding courage of each member who had as his goal — M. C. never quits.

Senior Co-captains Burns and Lavey, along

with senior Kenny Alves, were the only hold-overs from the State "B" Champs of the previous year. However, seniors Keogh, Gerrior, Barry, Jones, Testa, Driscoll, Connors and Armstrong came into their own and showed the fans that they should never sell M. C. short. Then there were underclassmen Norton, Malatesta, Sheehan, Taracevicz, Grant, Hurley and Sasso. Some of these rounded out the first team and others saw action in most games.

The game of the season was the title game with St. John's Prep. In this game an injury-ridden, patched but gallant Malden Catholic team fought its way to victory and championship by defeating the pre-game favorite 12-7.

First row: Head Coach Bill Grant, J. Santo, J. Keogh, P. Barry, Co-captains J. Lavey and R. Burns, L. Gerrior, J. Driscoll, D. Hurley, Athletic Director Brother Marshall.

Second row: Assistant Coach H. Chisholm, P. Shumski, P. Testa, B. Taracevicz, K. Alves, L. Malatesta, E. Norton, R. Forget, A. Armstrong.

Third row: Assistant coach T. Gilligan, R. Grant, J. McLaughlin, C. Hallice, R. Jones, J. Mahan, K. Sheehan, J. Sasso, Managers E. Lee and W. Ferguson.

Fourth row: Assistant coach J. Buckley, D. McCarthy, F. Connors, W. Sellers, R. Mallon, R. Rucci, R. Wilkins, R. Breen, Manager E. Norton.

Malden Catholic

Whenever long yardage was needed, Malatesta lugged the ball. He was the ground-gainer. He was the man to stop. Larry loved every moment of it even though he was always hit hard, as is seen in the St. Clement's game.

Football is not supposed to be a little fellow's game, but if you have a game little fellow he'll get along nicely. Such is the case of Captain-elect Malatesta. He's on the bottom in this shot from the Keith game.

Never Quits

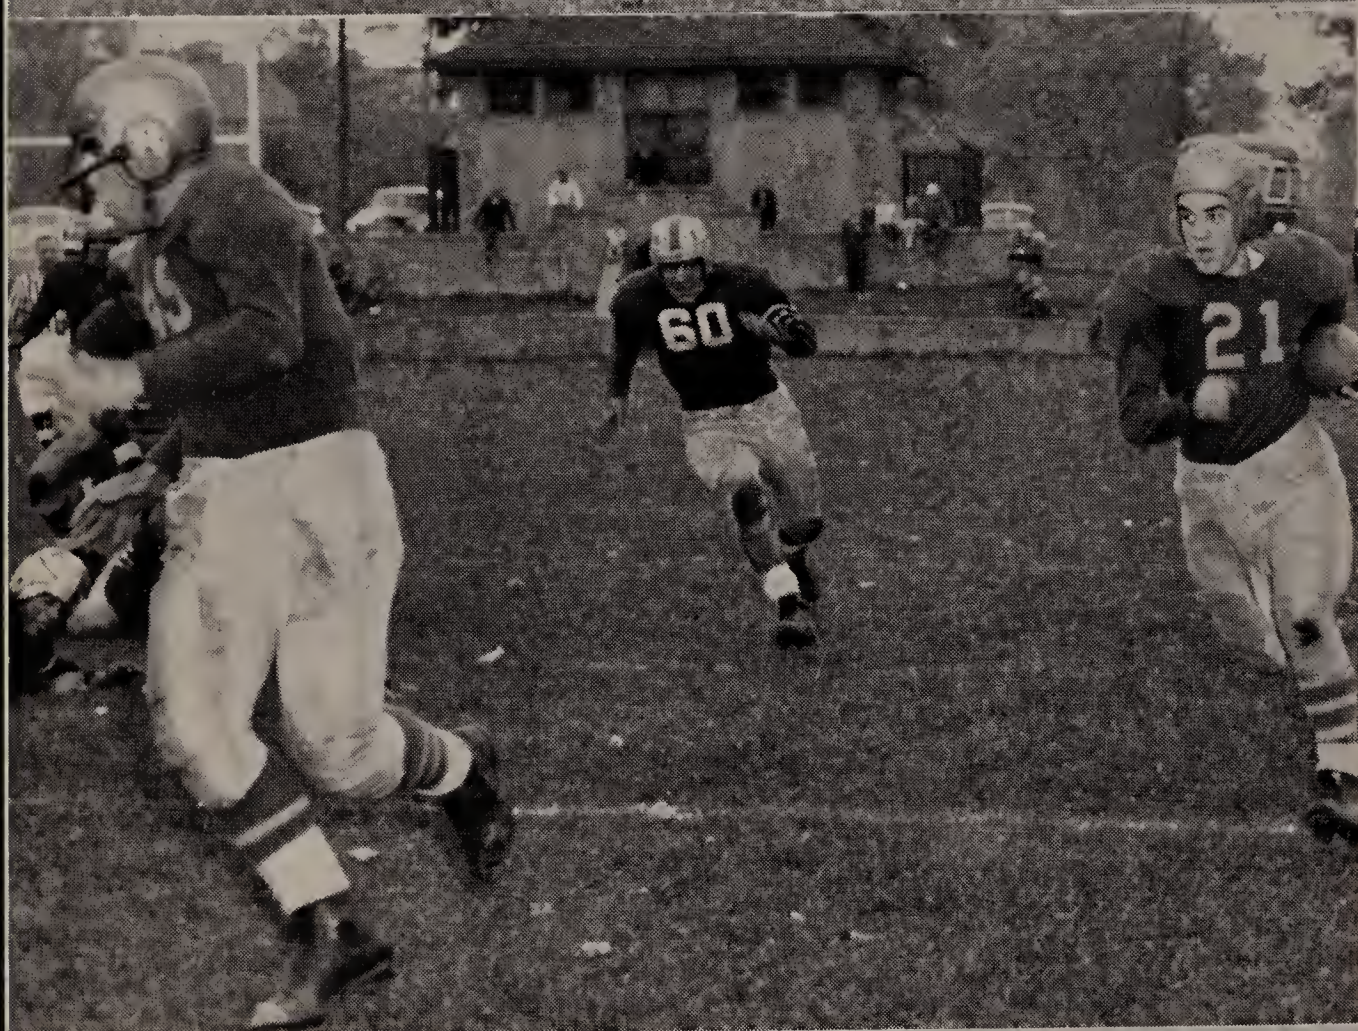

Jack Lavey is the carrier and he cannonaded for distance on this sweep in the Dedham game. Jack didn't make post season glories because he was a signal-caller who seldom called on himself to carry the ball.

Going places is Ed Norton in the Medford game. Another lin-ripper of good size and plenty of speed is Junior Ed. He'll fill in ably for Lavey.

Left end Bobby Burns is in the end zone waiting to catch Alves' 20 yard pass to tie the score at 6-6 in the game against St. Raphael's of Pawtucket, R. I. The same pair combined later to make it 12-6. Norton converted once to make the final score 13-6.

Sticking to the sidelines and being aided by timely blocking, Ken Alves is shown on his way to a touchdown after taking a Dedham punt on his own 10-yard line. Jack Lavey is all set to dump a Dedhamite. Final score was 6-6.

Ed Norton is lugging the leather for a sizeable gain against St. John's of Worcester. This was a thriller all the way. The line played a rugged game as usual. The line was green early in the season and later jinxed with injuries but these unsung heroes were never lacking in determination.

Substitute back Frankie Connors made the final score against St. Mary's of Lynn by driving through center. Two other touchdowns were registered by E. Norton and Bobby Burns in this one-sided game. Final score was 19-0.

Bobby Burns is all set to score early in the Prep game on a 30-yard pass from Alves. M. C. was a 12 point underdog to all except the M. C. fans. Brother Gilbert Stadium was jammed by strangers who wanted to be in on the kill which never did come.

This is the touchdown that not only gave M. C. victory but also gave M. C. the Catholic League football title for the 16th consecutive year. Somewhere under the pile is Kenny Alves, who scored on a quarterback sneak.

Basketmen

About sixteen years ago Malden Catholic first sponsored a basketball team, but the lack of facilities soon caused the sport to be dropped until it was revived by Brother Walstan in 1945. The revival engendered new enthusiasm which carried the team into the semi-finals of the New England Catholic Tournament in 1947 and to the quarter-finals in 1948. But this was not the case in 1949 and 1950.

Fundamentally the teams of these past two seasons just didn't have it. In an effort to improve this sport, Mr. John Bane and Brother Marshall, new coach and A. D., respectively, have formed a freshman league under the guidance of Brother Quentin. These boys plus the Junior Varsity boys of Brother Valens should raise the standard of play.

A check of the schedule shows that victo-

ries were scarce, but a closer scrutiny reveals that only a few defeats were lop-sided. This quality of battling to the end is the result of Coach Bane's enthusiasm and the leadership of Captain Joe McLaughlin. Senior Bill Brady did a remarkable job for a first-year man. The remaining first team boys were underclassmen Hallice, Monahan and Clark, who had able stand-ins in Senior John McCarron and sophomores Hamilton, Sellers and McCullough.

The highlight of the season was the Small School Tournament in which they trounced Marlboro and then lost out in the quarter-finals by four points to Needham. In the latter game the first team went out on personal fouls before the last quarter was reached. Two more substitutes joined them later on to establish the refs as the "whistlingest boys" this side of the Pacific.

Seated: J. McCarron, P. Monahan, D. McCullough, Captain J. McLaughlin, W. Brady, R. Forget, W. Sellers, J. Clark.

Standing: Coach John Bane, Manager F. O'Donnell, H. Hamilton, C. Hallice, Scorer W. MacEachern, Timer J. Donovan.

Joe McLaughlin lets go with a one-hander against Needham in the quarter-finals of the Small School Tournament. Hallice and Brady are set for a possible rebound.

Upper left: Towering Chet Hallice pushes up an easy one. Marlboro's zone defense was useless in this case.

Upper right: Footballer Bill Sellers believes in the saying that possession is nine-tenths of the law. Hallice and Brady are the other M. C.'ers. Brady got that pose from watching the wrestlers on T. V.

Lower left: At this moment Hallice is in a dilemma as to what is more important to him — his arm or the ball.

Lower right: Hallice also doubles as a shot man in track and this explains his form. Joe McLaughlin is trying to English it home.

Upper left: "Don't hit me on the head — you'll make me crazy." Red Mac is the only recognizable M. C. boy in this photo.

Upper right: First and ten — A football coach's dream from all angles — Look at poor McCullough. Hamilton is coming in on the left for a crack at the Needham boy.

Lower left: Number 13 is McLaughlin and he is giving us his version of the "clutching hand" during the Marlboro game.

Lower right: Hallice and McLaughlin go after a high one. Poor 53 on the right stays clear of the big boys. Do you blame him?

Skatemen - League Champs 6 years

The loss of four key men was supposed to have been the death knell for Malden Catholic's hopes in hockey for 1950. But Malden Catholic never quits and warns the world-at-large not to sell them short. Having only two regulars, Coach Bert Kenty took advantage of indoor ice and the spirit of Malden Catholic and then set to work in April 1949 to build for 19-50. It was a small beginning but each week found the team growing in skill and team play. Their debut of the season served notice that

M. C. was the team to beat. Boys like McGaffigan, McKinnon, Reboulet, McCarthy, Dwyer, Barry, Goggin and Farrell had found themselves from the start and they never let up.

Their smoothness and determination carried them to the sixth consecutive Catholic title, the finals of the State and the semi-finals of the New England Tournaments. In these latter two tournaments Melrose High, next town neighbors, beat us each time and went on to win both titles.

First row: R. McKinnon, D. McCarthy, J. Farrell, T. Dwyer, P. Goggin, Coach Bert Kenty.

Second row: Brother Marshall, P. Testa, J. Long, J. Barry, S. Kiley, J. Reboulet.

Third row: Manager G. Lavigne, R. Grant, P. Melchiono, D. Neary, R. Cavanaugh, P. Drugan, W. McGaffigan, Manager R. Duffy.

For the sixth consecutive time M. C. has won the hockey title. Pictured above are Coach Bert Kenty, Co-captains Barry and Dwyer, Brother Marshall and Trainer Dutch Carr with the trophy.

REGULAR

Farrell and Dwyer combined to send the puck past St. Clement's Doherty. M. C. won this game rather handily.

So intent was Pat Goggin to make a score, he himself ended up in the goal. Reboulet and McCarthy are other M. C. players.

Reboulet, M. C.'s most valuable player, failed to register against Joe Lanzo, Columbus' talented goalie on this shot. Dick Grant was ready just in case there was a rebound.

SEASON

Chalk up a goal on Dan O'Brien of Waltham by the combo of McCarthy and Goggin.

Co-captain Tom Dwyer sent this one by Goalie Lanzo in the second game with Columbus High.

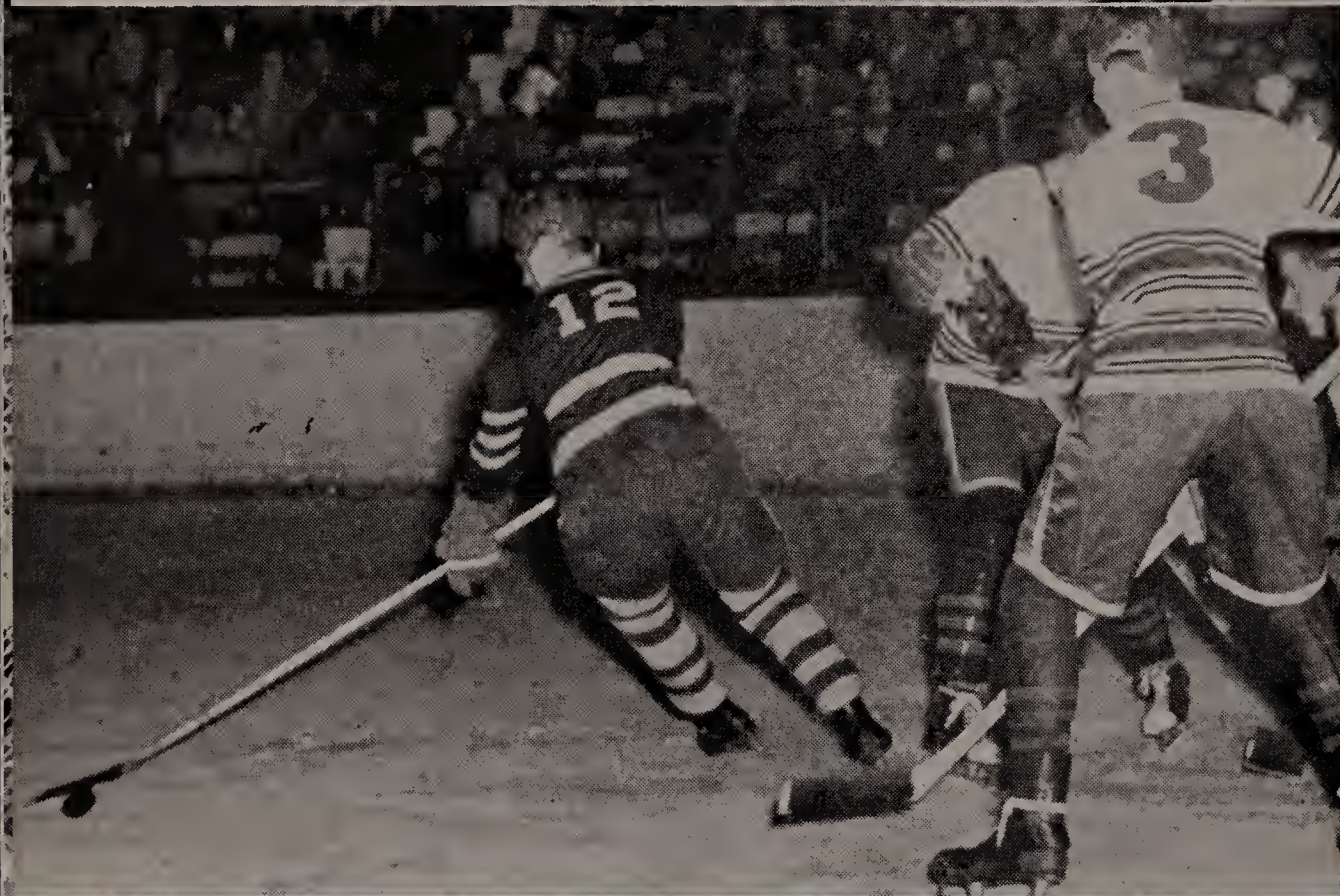

St. Mary's O'Brien turned aside this bid of Grant and McGaffigan in a play-off game.

POST

This was the goal of the year as it gave M. C. a 3-2 victory over West Springfield in the first round of the State. M. C. was down two goals going into the last period.

Jack Reboulet goes after his own rebound in the semi-final state game against East Boston, the Cinderella team. M. C. won 5-0.

Red-hot Springfield ganged up on Jack Barry to score their second and final goal. As can be seen Jack never had a chance to stop it.

SEASON

Farrell can shout for joy because he whizzed one by MacDonald of Hamden, Conn., State Champs in the first game of the New Englands. M. C. won 6-1.

Baker of Melrose came out to stop Farrell and McCarthy in the semi-finals of the New Englands. He also stopped M. C. in the state finals to give Melrose a 6-2 victory.

That man Baker again! Here's another save and it's a corker. Melrose licked M. C., 5-3, in the semi-finals of the New Englands and went on to win the title.

Wingfoot men - Cross-country

Track at M. C. is still in its infancy, and the number of candidates has not been numerous. As a result the victories are few and the defeats many.

For a young team, Brother Valens' cross-country group came through admirably. Led by Clarke Phillips, the hill-and-dalers won three and lost two in competition with Medford, Brookline, Wakefield, Everett Voke and Central Catholic.

Indoor track had more than enough troubles. First-off, Brother Marshall was forced to take over the coaching reins, and secondly, the team had little

Second row: J. Linehan, J. McDonough, F. Martin, E. Curley, P. Sheedy, C. Phillips, J. O'Donnell.

Track - Indoor and Outdoors

practice facilities. The team ran in the Met League to no avail. The bright spot was Burns' winning the State "C" 600.

Outdoor track lags behind the others because there is a lack of competition. Most schools concentrate on the State because the short season doesn't give time for interscholastic meets. This year's squad ran fourth in the Catholic meet and members from the parish ran in the C. Y. O. meet and won it.

A hats-off salute is due the following seniors: Jim O'Donnell, Bob Burns, Jack Lavey, Tom Barry and Jim Keogh.

First row: J. Mozzicato, R. Mallon, R. Wilkens, R. Allard, R. Gorden, R. Calder, D. McGonagle, J. Sasso.

Second row: Brother Marshall, W. Kelly, R. Burns, P. Sheedy, P. Curry, C. Phillips, F. Martin, J. O'Donnell, T. Barry, J. Lavey, J. Keogh, C. Hallice.

Clarke Phillips, Catholic's star miler, leads at the half-mile in the Catholic League meet at St. John's Prep. Brother Marshall, coach, is giving him time instructions.

Stickmen

"For of all the sad words of tongue and pen, the saddest are these — it might have been." It might have been a different story if Coach Buckley had not lost Malatesta and McLaughlin by injuries before things got going in baseball and if he had two more pitchers. But all that is now water over the dam. Still he had nine men out there for each game and was able to come out victorious in six games.

The optimistic side is that several underclassmen saw action and gained experience. The latter was something that this year's team lacked as a whole. Captain Joe Gardner and Bob Burns were the only holdovers from last year's team. The bright spot of the campaign was the pitching of Senior Phil Doherty and Pete Melchiono. Seniors John Barry, George McKenzie and John Reboulet did good work for their first year as regulars. Since small things grow, Coach expects a much better season for 1951.

Sitting: R: Burns, R. Cahill, P. Cargill, P. Doherty, Captain J. Gardner, P. Melchiono, G. McKenzie, J. Barry, Coach John Buckley.

Standing: Manager G. Lavigne, J. Clark, W. Davis, E. Keefe, E. LeDuc, J. Coates, R. Harding, J. Reboulet, K. Sheehan, W. Gerety, A. Pallotto, Manager R. Valway.

Joe Gardner beats the throw to third base with a real pro slide.

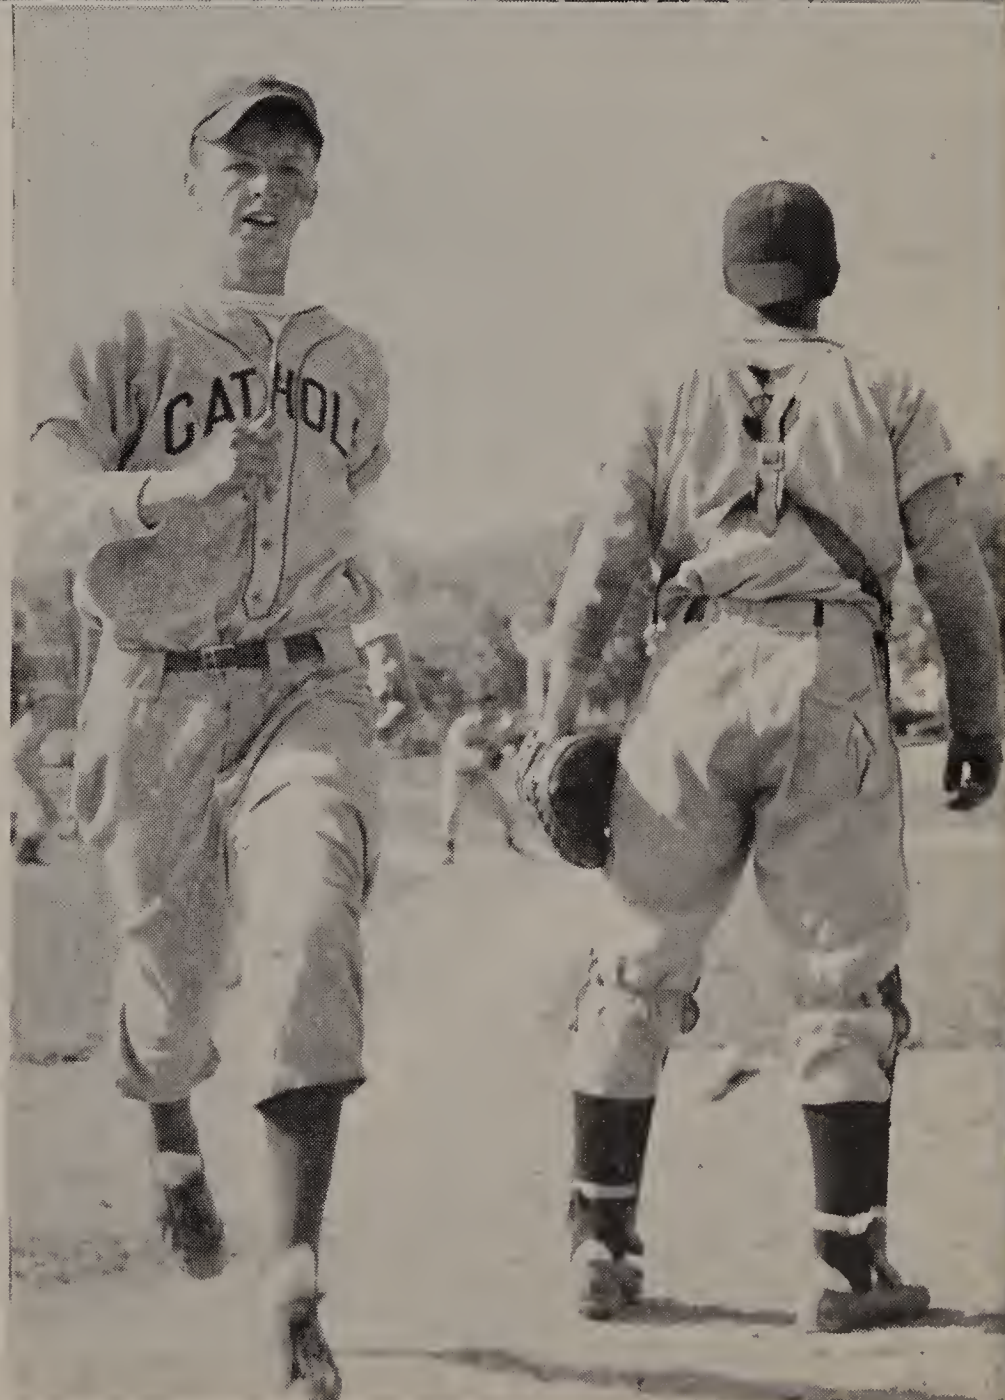

Fans on one side yell, "Run hard, Bob," and on the other, "Nice going, Joe". M. C. rooters are the latter in this case as Captain Joe Gardner makes the putout.

With the hit sign flashed and a good pitch served up, the batter tries to put good wood to the ball but he doesn't always succeed as is seen on Gardner's foul fly in the Medford game.

The imaginary conversation of Coach Buckley to Bob Harding in this candid scene could well be — "We are using skin-cloth-skin. Stay awake. Don't give it away." And Paul Cargill with the bats could be inquiring about the opposing pitcher, "What's he got?" To the right Ronnie Cahill crosses with a run for Malden Catholic.

So Proudly, we hail!

1st row: Coach Bert Kenty, D. McCarthy, T. Dywer, P. Goggin, J. Barry, J. Farrell, Bro. Marshal.

CELEBRATING THE END

Top: Committeemen McKenzie, Duffy, and Barry were the ones who got the ball rolling. This was the first Senior Outing and from all indications it will be an annual affair. Catholic High senior girls went along on the outing with M. C.

Middle: Hang on, here we go!

Bottom: Rain made the skating rink a very popular spot.

AT CANOBIE LAKE, N. H.

Top: Who doesn't like the dodgems? Hockey men McGaffigan and Reboulet keep in checking form by this method.

Middle: Only skillful skaters can sit comfortably after burning up the rink.

Bottom: Mirror, mirror on the wall, who is the ugliest of us all.

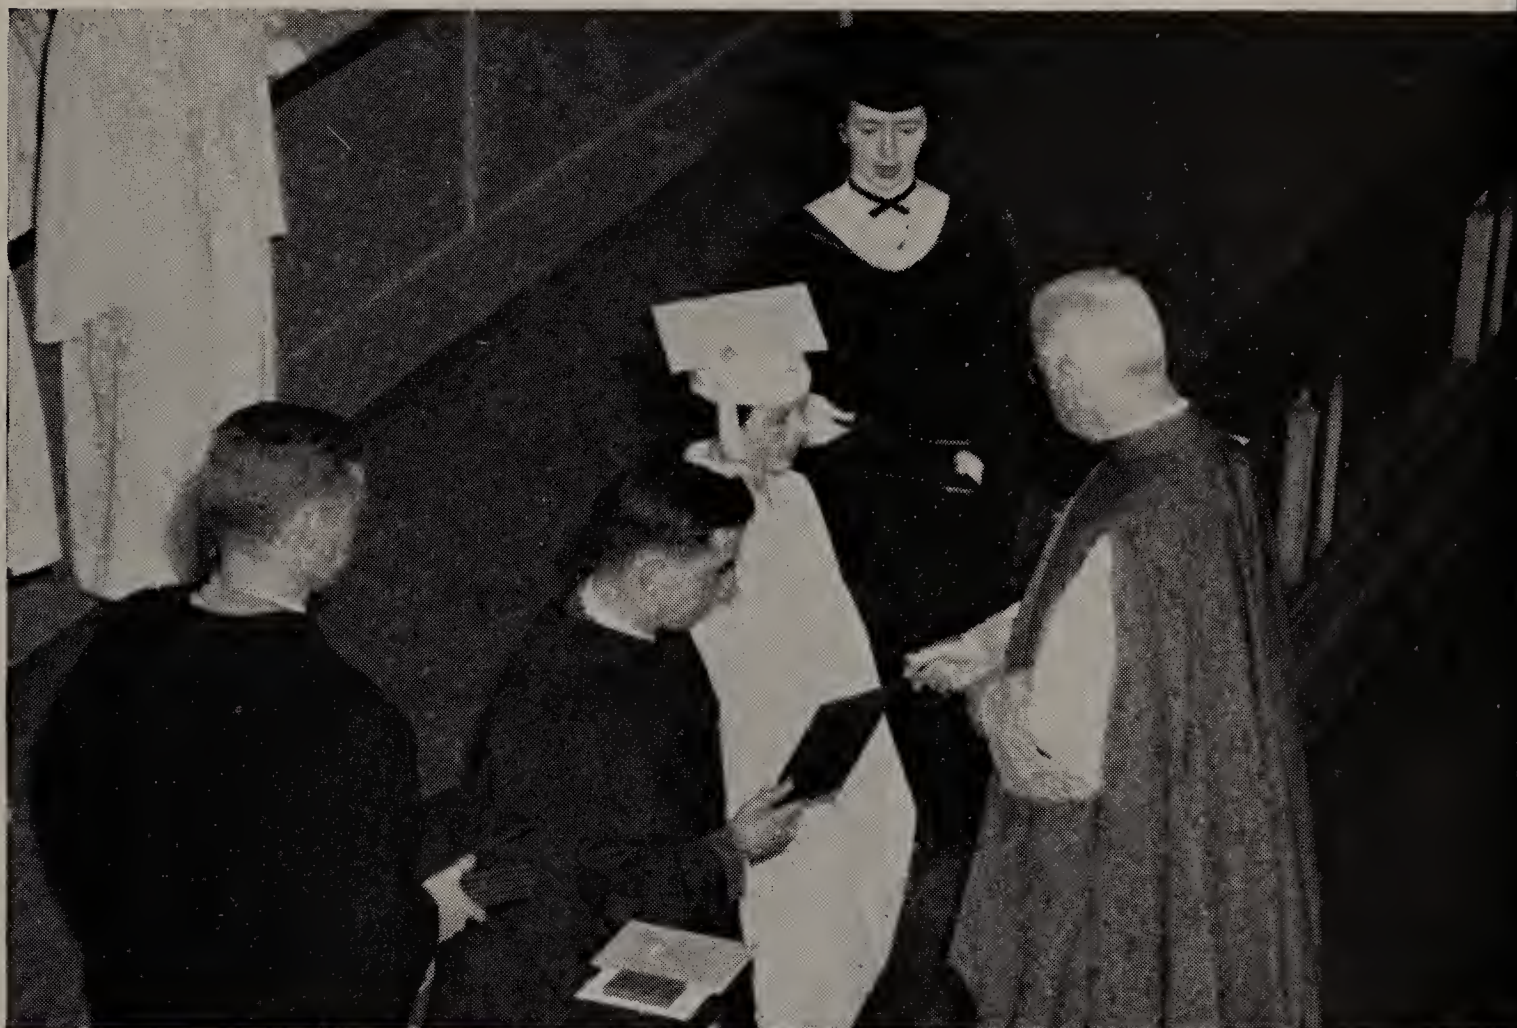

Holy Mass and Communion opened the Commencement Day Program. Both had a greater significance than ever before. We felt an interior peace and everyone seemed to be bubbling with enthusiasm. The breakfast that followed was so gay and everyone had a hearty appetite. When we planned it, we thought of it as just another formality. Maybe it is that all realized that it was a breaking-up party of the class of 1950. After today the class associations of our high school days will be but a memory, but this memory will be with us forever.

COMMENCEMENT DAY, SUNDAY, JUNE 4, 1950.

AT THE IMMACULATE CONCEPTION CHURCH, MALDEN, MASS.

Father McCarthy, S. J., of the Class of 19-36 was our commencement speaker. He gave us a tremendous lift. You see, we were just beginning to become conscious of the responsibility that is to be ours and the severity of it was almost too much to bear so early in life. In marching up to receive our diplomas from Monsignor Fletcher we walked with a strange firmness and dignity — that of men. Benediction was a wonderful climax. And then out we marched as our proud parents smiled at us. Outside it was a joyous confusion of handshakes and congratulations. Finally it was so-long, Brother! Hey Mac, drop me a line.

THIS IS IT. WE SEAL OUR FRIENDSHIP WITH A FIRM HANDSHAKE AND
A QUAVING VOICE. WE SHALL ALWAYS REMEMBER "CONCORDIA,
RES PARVAE CRESCUNT".
